EDGEWATER GLENFEST REVISITED...

A VERY SPECIAL THANKS: To all the kind people who helped with the Edgewater GlenFest '85. Dozens of people spent weeks planning and organizing the day and many more volunteered on the day itself to set-up and take-down. A very special thank you to Dawn Wyman, Planning Chairperson, and to Carol Mosier, who was responsible for the smooth running of the GlenFest. To all those who served on the entertainment, food, raffle, set-up, Fun-Run, and crafts committees, thank you again. We will see you again on the third Saturday, June, 1986.

The Garden Walk was superb this this year. Winners received color photos of their gardens. A tip of the hat to the garden walk committee.

NEW OFFICERS

IN AND AROUND THE GLEN

The EGA has conducted a survey of dead and dying trees in the neighborhood and has reported the results to the Ward Offices. Plans call for planting new trees this fall and next spring, while the dead trees (what are left after the recent storm) are to be removed this winter...There is a good deal of discussion about the possible closing of the Thorndale Elevated Station. If you are for or against this action and would like to express an opinion, the 48th and 49th Ward Offices would like to hear from you....Ald.Volini has been conducting meetings about re-routing traffic off Sheridan Road during the rush hours. At this time, there are not any plans to make Sheridan Road one-way and Broadway one-way in the opposite direction. Ald.Volini's office will continue to look for a solution to how the traffic problem should be resolved...Plans are once again in the works to conduct pumpkin-carving and Christmas decorating contests. Look for the dates and prizes in forthcoming issues of the Newsletter.
