Senn Playlot Dedication

Under threatening skies, the community-at-large turned out in full force to finish and dedicate the Senn Playlot. Alderman Mary Ann Smith and Chicago Park District Board President Richard Devine were on hand for the dedication and the christening of the S.S. Edgewater. Tasty treats were served and all work and play finished just before the rain! Many thanks to all of you in EGA who contributed time, money, and artistic talents for this monumental project. The park is now a delightful place to play in the neighborhood!

December 16th Tree Tour for *Care for Real*

This is the last call for Christmas Tree Tour participants! The event will have to be cancelled as of November 15th if we do not have at least 15 participants. Won't you show off your decorated living room and tree for the benefit of *Care for Real*? Call 743-2121 and leave a message if you can join the 1990 group of tree trimmers! The December newsletter will give all the information needed to attend the tour but mark your calendars now for the afternoon of December 16th and plan on touring EGA's little bit of Christmas!

Town Hall Meeting

At a date in January yet to be determined, you will have the opportunity to meet with and talk to candidates of the upcoming election. Area police will also be on hand to discuss various crime issues in the neighborhoods. A date will be published next month in the newsletter for this Town Hall Meeting once it has been set.
