

Between Showers Garden Walk Pleasant Success - Awards to be Given

EGA would like to thank all the participants in our 1993 Garden Walk. Many fine gardens and yards were made available to EGA residents and visitors for this year's Garden Walk.

Rain added a cooling luster to the gardens at the beginning and the end of the walk. In between the showers the gardens looked nice in spite of this year's late season showing.

GLENFEST '93 - Saturday, September 11

See accompanying flyer

This year's GlenFest will be held next Saturday the eleventh from 11 a.m. through 4 p.m. No rain date is planned so come rain or shine.

As you can see from the planned events on the flyer we are expecting this year's fest to be one of the best in a long time.

While we won't be having everything from A to Z we will be having fun things from Barney & Bingo to Sassy & . . . Wait a minute! Shouldn't that be Scales & Tales? Oh well, one of those animal shows will be there as well as our friends from the Lincoln Park Petting Zoo & the Mounted Police too.

Also for the kids we'll be having the Jumping Jack, a Fire Truck, and a decorated Bike & Wagon Parade. Kids can bring their own pre-decorated bikes & wagons. Or, they can bring their undecorated bikes/wagons a little early at 2 p.m. and use GlenFest supplied decorating materials.

For grownups we have Bingo, Garden Walk Awards, and Silent Auction. Come check out the many fine prizes and services at the Auction. There will be a kid's raffle with neat stuff too.

While it's fun to come, it can be even more fun to participate in making everything happen.

See the box for people to call about volunteering yourself or your donated prizes or services for the Auction, or your Bake goods for the sale.

All participants will receive thank-you certificates and three winner's awards will be presented at Glenfest on Saturday the 11th (See following article & enclosed flyer).

Already talk has begun about how to make next year's Garden Walk better. Of course, an earlier date as well as earlier (and better) advance notification will get us off to a good start in achieving that better Walk.
