

General EGA Membership Meeting Tuesday October 25, 7pm Emmanuel Lutheran Church

Alderman Smith & Commander Byrne to Speak

Edgewater Glen Association invites all residents of the Edgewater Glen neighborhood to attend a combined General Membership & Board Meeting on Tuesday the 25th of October. Present to

spealk will be 48th ward alderman Marianne Smith and 24th Police District Commander Thomas Byrne.

Alderman Smith will be speaking on the idea of creating what is being called a "Traffic Turnaround" or

"Circle" at the corner of Elmdale and Glenwood.

Commander Byrne will be speaking on Community Policing in general and will field some questions from those in attendance in particular.

Notes From EGA's New President - Mark Kollar:

On Sept. 9th I attended a meeting with Alderman Smith and Representatives of other Block clubs. We viewed a video about traffic circles, discussed the concept in general and considered possible locations in the Edgewater area in particular. One of the locations being considered is the intersection of Elmdale and Glenwood. This meeting of block club representatives is part of a larger process of involving the community in making this decision. In our last EGA Board meeting, the

video was viewed. Expect more information to come.

My goals for the year are these:

Encourage all EGA members to attend the regular meetings.

Meetings are the second Wednesday of the month at my house.

Improve distribution of information.

Double Current membership.

Accentuate the positive in our agenda and calendar of events.

Thank You!

Tim Mitchell and everyone who worked so hard on the Glen Fest. Events Like these help make our community a great place to live.
