

FIRE PREVENTION AND HOME SAFETY

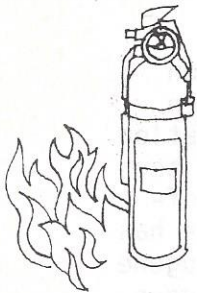

WEDNESDAY EVENING

MARCH 2, 1977

8:00 P.M.

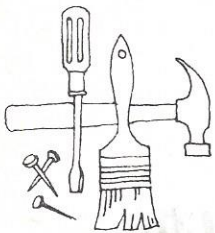

ST. GERTRUDES SOCIAL HALL

PROTECT YOUR HOME AND FAMILY

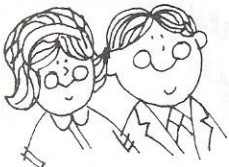

The Fire Prevention Bureau of the City of Chicago Fire Department will provide a presentation on Fire Prevention and Home Safety at the next Edgewater-Glen Association quarterly meeting. Lt. Robert Schwede, of the Chicago Fire Department will present valuable information on prevention of fires in the home, evacuation of the home in an emergency and whether or not smoke detectors are an effective device for home safety. If you live in Edgewater-Glen, you know what it is to live in a house that is two or three stories tall. Although our homes and neighborhood are the greatest in the City, many of the homes are almost 75 years old. This winter has put a lot of strain on furnace and other energy systems in our houses. A little effort can prevent a great tragedy. Join your neighbors at the Edgewater-Glen meeting on Wednesday Evening, March 2, 1977. The meeting will begin at 8:00 p.m. and end no later than 9:30 p.m. Refreshments will be served.

HANDYMAN NEEDED

Has the plaster fallen down? Do the faucets need replacing? Has the roof started leaking again? These are only a few of the kinds of problems that occur with the great old houses of Edgewater-Glen. Have you had experience recently with repairs to your home and a tradesman or contractor that you would recommend to your neighbors because they did a good job for you? If so, call Nancy Merrill 973-5940 to let Edgewater-Glen Association know. If you are in need of help, call the Edgewater-Glen Association and find out who your neighbors have had good experience with. There is no charge for this community service.

MEMBERSHIP

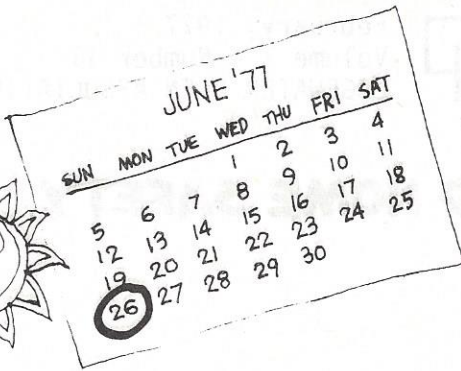

The annual membership renewal notices will soon be mailed out to all Edgewater-Glen members. Your continued support is essential if we are to continue our efforts in the community. If you are not a member, you can help by filling out the membership form and mail to Mrs. Sheila Gallagher, membership Secretary. Community programs, this newsletter and conservation efforts do not just happen by themselves. Your support is important!!

NEW NEIGHBOR

The Uptown National Bank of Chicago has acquired the property located at Norwood and Clark (Chicken Unlimited). They have received approval to open a Branch Bank at this location. It is expected that this Branch Bank will open approximately June, 1977. This facility will provide a physical improvement to our neighborhood and eliminate the problems which have previously occurred by having a fast-food business there. We welcome the Uptown National Bank and anticipate that they will be sensitive to our concern that reinvestment of funds be carried out within our community for mortgages, home improvement and commercial loans.
