## EGA MEETING ON SENN PARK

An open meeting of the Edgewater Glen Association was held on Wednesday, January 11, at S. Gertrude's Parish Hall. The purpose of the meeting was to discuss the ramifications of the Senn Park Master Plan on our neighborhood as well as vote on the proposed plan.

Proposed changes include

moving the basketball courts, adding tennis courts, making the area in front of the high school more user friendly, as well as landscaping the area.

Questions included cost of maintaining (to be determined), who would do the maintenance (Park District & neighborhood), when would these

changes take place (as soon as all groups involved sign off at a meeting to be held at the end of January, funding would somehow be found, and work would begin).

EGA voted to recommend to the President that the Plan be approved.

## Clark Street Median Plan Put Off

Work will not begin this spring on Clark Street resurfacing between Rosehill War Memorial and Devon.

Plans call for a 16-20 foot median strip either with plantings or simply asphalt.

We will keep you informed about the Clark Street plans.

## NET Wants One-Way Elmdale West from Glenwood

The block club NET has voted to recommend that Elmdale become a one way street heading west from Glenwood to Clark. At our February EGA Board meeting we discussed this proposal and

many of us felt that this would redirect traffic onto Norwood, Glenlake or Hood.

We have drafted a letter to the Alderman requesting that this not be implemented until a study is done.

We would prefer that a solution to this problem be found that does not increase traffic in the Glen.

## Garden Walk Slated for July 17 - GlenFest too

Mark your calendars now for the Garden Walk and Glenfest this year on Sunday, July 17th! The Glenfest will be held between Glenlake and Norwood on Glenwood. Come see the gardens, bring your pets for the Pet Parade, and stay for fun and games for the children. Planned Activities: Petting Zoo, Mounted Horses, Jumping Jack, Pet Parade, Bingo, White Elephant Sale, Silent Auction.

In addition to entering your garden in the Edgewater Glen Garden Walk, you may also enter your garden in the City of Chicago Garden Contest. Applications are available by calling 744-5701 after May 1.

Help keep EGA beautiful - the City of Chicago will remove any graffiti on brick buildings as well as give you a can of paint to paint over any graffiti on wooden structures. Just call the Alderman's office at 784-5355 for a Graffiti Blasters application form, or to request a can of paint.

The Alderman will be holding a community meeting to discuss various issues of concern to the 48th Ward. A tentative date has been set for May 1. Watch for information on the exact location and time in the near future.
