SOMETHING
NEW IN THE
GLEN . . .

If you see a landscaping service working on some of the park-way corners over the next few weeks, it is because we are now taking bids from landscapers to put in permanent plantings at all the intersections in the Glen. These permanent plantings will grace the neighborhood for a long time to come. Please help us and take the time to water the new landscaping and pick up around them. More details in the next newsletter.....

THANKS TO
ALDERMAN ORR
AND
MARY KENNEDY

For their efforts on behalf of the neighbors on Hood who have been working to try to resolve a problem with the car repair business at Hood and Broadway. Mr. Orr came to the neighborhood to discuss the situation. We hope that we will have a friendly solution to our differences, as a result of this meeting.
