THINK SPRING...or SUMMER! Get out those seed catalogues now and start planning how you will win first prize in the 1988 Garden Walk, scheduled for Saturday, June 25.

Also, please think about whether or not you want GlenFest to be held again this year, in conjunction with the Garden Walk. We are trying to determine if there is sufficient interest in continuing with GlenFest. If so, we need to start getting volunteers now who will serve on the organizing committees. This event cannot happen unless the community supports it and enough people are willing to help.

We need to hear your ideas and opinions about GlenFest, both pro and con. Please call Ginger Williams, 338-8182, with any comments or suggestions, especially if you would like to volunteer; or talk with any Board member or Block Representative.

DO YOU KNOW of a reliable electrician who won't give you any shocks? How about a plumber who's not a drip? We are in the process of compiling an up-to-date listing of competent tradespeople (carpenters, plumbers, electricians, roofers, painters, etc.) that could be used as a reference in the future for those of us with leaky faucets or cracked walls. Such a list would be a big asset to homeowners in EGA, so please share your knowledge of who's good and who's not.

If you would like to recommend someone for this list, please jot down the name, specialty, address, phone number and what you liked about them and drop it off at 1305 Glenlake, or call Ginger Williams, 338-8182, with the information. Thanks, and we'll keep you posted on when this list will be available.
